

Grown with Love

...by a community of volunteers who love growing organic vegetables, herbs, fruit and flowers and sharing knowledge and fresh produce in an inclusive and friendly natural environment at our beautiful ecohaven outside Kilclief, Strangford.

We have a polytunnel, orchard, willow and woodland areas and a cabin for chat, fun and refreshments.

We practise no-dig growing and seed guardianship to increase biodiversity. Growing at the Seedbed offers huge benefits for our health and well-being.

There will be plant sales on Sundays (2-4pm), your chance to buy fresh seasonal herbs, flowers, plants and vegetables and see what we do.

We will be running a variety of workshops including Flower Preparation, Gardening, Working with willow and much more....

Register your interest at our stall, on info@glebehouseni.org and visit our website: www.glebehouseni.org

Come and join us, everyone most welcome.....
